The screenshot shows the oTree web interface. The navigation bar at the top has a black background with white text: 'oTree', 'Demo', 'Sessions', 'Rooms', 'Data', and 'Server Check'. The 'Sessions' tab is highlighted with an orange box. An orange arrow points from this box to a text box that says 'Sessions をクリックする' (Click Sessions). The main content area is white and shows a 'Demo' section. It contains a table with three rows: 'simple_pd', 'simple_sd', and 'simple_tg'. To the right of the table is a large, empty light gray box. In the top right corner of the main content area, there is a small red circular button with a white 'X' icon.
